ALUMNI NEWSLETTER

FEBRUARY 2011

## Message from the Actives

Last year, we sent out a number of newsletters and flyers to you, thinking that you possessed an ideal love for the Lodge and cared a lot about how the undergraduate kids are doing.

Well, it took some words of wisdom from some alumnus to make us realize that as much as we are all "brothers", you all prefer to hear about the brothers you went to school with, not about brothers you

President **Chris Corriveau** ('12) with Treasurer **Arash Mamnoon** ('11)

don't know.

In light of this new understanding, we are not trying to change the

Alumni Relations program to focus not only on connecting undergraduates to alumni, but also on connecting alumni to alumni.

Read through this newsletter with a jolly heart to hear from your friends, hear about Cal, and giggle at some old photos.

## 2011 Founders Day: April 30th

The Active Brothers of Chi Psi Alpha Delta Delta would like to inform you that 2011 Founder's Day will be held on **April 30 (SAT), 2011** at your

home away from home, the Lodge (2311 Piedmont Avenue). Activities and venue will be decided depending on how many alumni would be partici-

pating.

Thus, we would greatly appreciate it if you could RSVP to [nahmjun@berkeley.edu](mailto:nahmjun@berkeley.edu).

# Campus News: No “Home Game” for 2011-2012

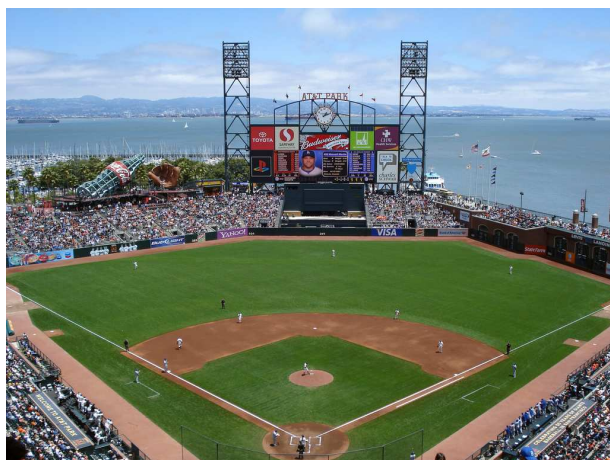

The Memorial Stadium will be undergoing reconstruction for 2011~2012 academic year. Thus, Golden Bears will not be

able to host their home game at Memorial Glade this upcoming year.

Instead, all home games during this year will be held at AT&T Park in San Francisco.

It is said that the school will provide buses between campus and the field.

## Lodge News: Athletics, Improvements, and Rush

**Athletics: 1)** This semester, brothers of Chi Psi are participating in three sports: IM Softball, IM Volleyball, and IM Soccer. The leagues are still in progress, but good results are expected from all three sports.

**2)** Chris Mikschl ('12) has joined Club Volleyball Team, which now represents Cal

since Budget Cuts led to withdrawal of varsity status from Men's volleyball.

**Improvements:** The social reputation of Chi Psi is at its best of last decade. Numerous successful parties, accompanied with brothers working as gentlemanly staff, have branded

our name in freshmen's heads.

**Rush:** Spring rush has not been the most prolific of our history, but we managed to welcome in Kevin Nyotta, Nate Cash, and Jonathan Trinh, three outstanding gentlemen, as new pledges of Chi Psi.

## Meet the Actives: Michael Lichterman

Meet Brother Michael Lichterman ('11), a Senior majoring in Chemical Biology. You see, Mike is a typical Lodger of our time. He knows how to have fun, is a great tennis player, and is intelligent. Very intelligent. In fact, Mike has been ad-

mitted to **Massachusetts Institute of Technology (MIT) and California Institute of Technology (CalTech)** for his graduate studies. Now if that does not deserve a round of snaps, I don't know what else we could snap for.

Stats: Michael Lichterman  
Major: Chem Bio  
Year: Senior

# Call for Comprehensive Alumni Support

Few years ago, while sifting through the dusty tomes in our library, a brother found an interesting article—a Request to Alumni for More Funds written in 1965. It was interesting to read that piece, for it reminded me that brothers from 45 years ago faced the same problem that brothers face today—the need for alumni support.

While it may sound trite for undergraduate brothers to ask for alumni support, this year the need is more dire. Due to renovations to the Memorial Stadium, all home games for Cal will be held at AT&T Park in San Francisco.

While this will be an interesting game experience for us, it is also grave news—no home-games means no selling parking, which means we're facing a financially challenging semester.

Each year, the active brothers accumulate near two thousand dollars by selling parking, most of which goes to general Lodge funds.

With no such extra revenue for fall semester, and with a considerable number of brothers graduating this semester, Chi Psi Alpha Delta Delta needs your help desperately.

In essence, we need your support in three main areas:

**No home-games means no selling parking, which means we're facing a financially challenging semester.**

## 1. Financial Support:

The Chi Psi experience will die if brothers cannot sustain activities that define our brotherhood—philanthropy, alpha-only events, rush, and social events. All of these can happen and expand only with your continuous support.

## 2. Networking

This semester the brothers would like to enrich the Chi Psi experience by pursuing professional networking with you. Please check calchipsi.org for our Roster and contact us for help and information.

## 3. Mentoring

Last but not least, we would like to get to hear your Chi Psi experience. What did you do to rush freshmen? What worked? What was fun? How did you cope with conflicts within the brotherhood?

**Any and All of such help would be greatly appreciated by the brothers of Alpha Delta Delta.**
